

OPTIONAL RELEASE OF TESTIMONIAL DISTRIBUTION RIGHTS

Revision 2.0; Nov 17, 2015

Intent: With your permission only, we may ask you for a written or video testimonial about the results of your treatment for use on our website. It would be a few paragraphs about your symptoms before treatment, and how you feel after treatment. Or we may ask you to do a video after treatment recorded specifically about the results of treatment. This is to either 1) help others who have a similar problem to feel that this might be appropriate for them also, or 2) to help others realize what we offer does not fit their situation. If you are not willing to do this, do not fill out this form. If you are willing to do this, please fill out the form below. If you are willing to do so, but want to keep your name private, just indicate this below in the appropriate box.
